Dear Parents,

Please arrange all of your son's transportation to and from Yeshiva with this schedule in mind. Any departures prior to the dates specified or arrivals after the dates specified require special permission from R' Yossi Goodman or R' Levi Blizinsky. Please speak with your son's principal before making any travel arrangements which do not conform to the Yeshiva Calendar. After breaks, students should always arrive in Canadensis the day before classes resume.

Thank you.
